Subject: Coakley Landfill Site, North Hampton, NH

Dear Mr. Marchessault:

This is in response to Merrill S. Hohman's request dated August 9 regarding the information relating to the Coakley Landfill site in North Hampton, NH. I recently spoke with both you and Mr. Daniel Coughlin and explained that the Meadowbrook Inn, Portsmouth, NH has never used any city services for the disposition of waste.

We have for years used the dumpster service provided by H.E. Bouffard Co., Inc., Route 236, Kittery Maine 03904; Telephone number (207) 439-3626. The principal in that waste disposal company is a Mr. Fred Smith. Mr. Smith can provide a detailed description of the trash generated by the Meadowbrook Inn, and where he disposes it. He is better versed in this matter.

The Meadowbrook Inn however, typically disposes of the following in the dumpster furnished by H.E. Bouffard Co., Inc.:

- Paper products
- Soda cans
- Soda and beer bottles
- Cardboard boxes
- Garbage bags from room waste baskets
- Waste soap
- Occasional empty paint cans

In my conversations with both you and Mr. Coughlin, I was informed that the forgoing explanation would be acceptable.

Yours very truly,

Nicholas S. Haddad
